Hi Katharine,

I am attaching a letter (and attachments) we sent to the State regarding their UIC program in July 2014, which should be helpful in understanding EPA's perspective. If you have questions after reviewing the attached, please give me a call.

Regards,

David

Hi David,

I received your voice mail earlier this morning. Thank you for calling me back. Yes, I was out-of-town Thursday and Friday of last week.

Here is my email per your request.

As I may have mentioned when I left you a message, our office has been receiving quite a few inquiries about the UIC program. I have met with both DOGGR and the State Water Board in an effort to understand how things stand. I would appreciate learning the US EPA's perspective too.

Thanks.

Cheers,

Katharine
